Winter Holiday Camp At Vaughan Primary School

Dear Parent/Carer,

Join Super Star Sport for sports, games and festive activities this winter. Our multi-activity camp is a chance for children to stay active, have fun and make new friends in a safe, welcoming environment.

Vaughan Primary School, The Gardens, Harrow, HA1 4EL
Monday 21 to Wednesday 23 December 2026

Important HAF Eligibility Update

Following guidance from Young Harrow Foundation, funded Holiday Activities and Food (HAF) places are being prioritised for children eligible for **Targeted, benefits-related Free School Meals (FSM)**. Receiving Expanded FSM alone, or having attended a HAF camp before, does not automatically establish eligibility for a funded place.

Check Your Child's Eligibility

Visit lgfl.net/services/free-school-meals and choose **Check Eligibility**, or go directly to the LGfL eligibility checker. Have your National Insurance or NASS number ready to enter securely in the checker. Please do not send these details to us.

Please keep evidence of your child's eligibility: a school letter or email confirming Targeted FSM/HAF eligibility, or confirmation from the LGfL checker. If you are unsure about your child's status, ask your school for help. The attached HAF eligibility flyer also explains the check.

Children now fall into two groups

- ✓ **TARGETED FREE SCHOOL MEALS**

EVEN IF YOUR CHILD ATTENDED HAF BEFORE, THEIR ELIGIBILITY MAY HAVE CHANGED.
