| Puzzle 1<br>Being Me in My<br>World   |                    | I can tell you some things that<br>make my class a safe and fair<br>place.   | I can explain why my behaviour<br>can impact on other people in<br>my class.  | I can justify the choices I make<br>to help keep my class and<br>school a safe and fair place.  |                  |
|                                       |                    | I can say how I feel about my<br>class and why I like it being<br>safe and fair.   | I can compare my own and<br>my friends' choices and can<br>express why some choices are<br>better than others.  | I can give evidence as to why<br>my own and my friends' choices<br>can be helpful/unhelpful and<br>how some of these choices<br>may have positive/negative<br>consequences.   |                  |
| Puzzle 2<br>Celebrating<br>Difference |                    | I can name some differences<br>and similarities between me<br>and other people in my class.<br>I can give a reason why a friend<br>is special to me. | I can explain that sometimes<br>people get bullied because<br>they are seen to be different.<br>This might include people<br>who do not conform to gender<br>stereotypes.<br>I can explain how it feels to<br>have a friend and be a friend. I<br>can also explain why it is ok to<br>be different from my friends. | I can justify why gender<br>stereotypes are not always<br>fair. I can also explain why<br>differences can make some<br>people bully other people.<br>I can offer strategies that allow<br>me to stand up for myself and<br>my friends.  |                  |
| Puzzle 3<br>Dreams<br>& Goals         |                    | I can tell you what I did to<br>help my group create an end<br>product.<br>I can say how I felt about<br>working in a group.                         | I can explain how I played my<br>part in a group and the parts<br>other people played to create<br>an end product. I can explain<br>how our skills complimented<br>each other.<br>I can explain how it felt to be<br>part of a group and can identify<br>a range of feelings about group<br>work.                   | I can analyse the different<br>roles people played in a group<br>to create an end product and<br>justify what was helpful and<br>what wasn't.<br>I can identify a range of feelings<br>about working in a group. I can<br>analyse my feelings and those<br>of others and can explain how<br>we could improve our group<br>skills next time. |                  |
