Please note:

- 'Unit' refers to unit of work in Art Express books.
- Blue shows learning from Vaughan Schools computing provision for each year group due to link with Digital Media.
- Reception outlines Access Art learning opportunities that will enrich the Expressive, Art and Design area of the Early Years Foundation Stage that is already provided. It enables exploration across a range of disciplines and links with reception's termly themes.
- The overview for Art and Design will include Art Week once the date has been decided, this is usually at the beginning of the academic year. The curriculum overview is then updated to reflect this and units of work might change due to this.
