Dear Parents / Carers

### **SMARTWATCHES IN SCHOOL**

It has come to our attention that a number of pupils are wearing smartwatches to school and accessing their phone devices through these.

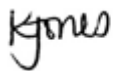

It is against school policy to have access to phones or any devices linked to them during the school day.

This has now become an issue in the playground and during learning time in class and so we are advising that any child who is wearing a smartwatch and is found to be accessing any mobile devices will have their smartwatch confiscated and returned to their parent as per the school's Behaviour Policy.

Please note that these devices are worn at owners risk and the school cannot be held responsible for any loss that occurs while your child is on the school grounds.

We hope you will understand and that parents can work with the school regarding this.

Yours sincerely

**MRS KAREN JONES**  
**Headteacher**
