Dear Parents / Carers

### **EVIDENCE ME – RECEPTION AND NURSERY**

Thank you to all parents who have returned the 2Simple permission forms.

In both Nursery and Reception, we use a system called 'Evidence Me' from 2Simple which will allow us to share what your child is doing in school.

The 'Parent Share' feature in Evidence Me enables you to view your child's observations (complete with photos and/or videos) via the app or web suite, showing you what your child has been learning and the new skills they are developing.

You can send us your comments and feedback by simply adding them to the observations via the app or web suite. This will help our staff to support your child even more effectively in the classroom.

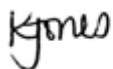

You can also take an active role in contributing to your child's observation portfolio by uploading your own observations, simply add these to the app or web suite.

You will receive an email in the next few days from [donotreply@evidence.me](mailto:donotreply@evidence.me) asking you to confirm that you would like to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there.

Participation is optional, but we really recommend getting involved.

We look forward to sharing our observation with you.

Yours sincerely

**MRS KAREN JONES**  
**Headteacher**
