

# NOURISH YOUR CHILD'S INNER SUPERHERO!

## Our Food

Taylor Shaw's menus are designed to be child friendly, as well as compliant with the Government's school food standards. We use high quality, healthy and nutritious ingredients, prepared fresh on site, on the day of consumption, by suitably trained and child focused employees.

At the heart of our service lies a menu that contains the correct balance of food and nutrients across the week, in order to encourage children to learn, love food, play and grow.

Our lunches include a choice of...

- Meat & vegetarian main courses and accompanying carbohydrates
- 2 vegetable options
- Various salad choices
- Wholemeal or white fresh, crusty baked bread, daily
- A selection of hot and cold desserts
- Chilled water

## Feedback/Contact

## Medical Diets and Allergies

If your child has a specific dietary need for a medical reason, we will work with you to create a menu to meet the needs of your child. We have a Medical Diet Procedure to follow, to ensure your child can safely eat with us. If you would like your child to have a school meal we would need to see a medical certificate from your child's consultant. We can then proceed with creating a suitable menu. Please ask your school for the Medical Diet Request form.

Once you have completed it please return to the school along with the Medical evidence, please ensure all details are correct and it has been signed. This will then be passed onto the Edwards & Blake team who will then create a safe menu for your child and implement as soon as possible.
