

September 2022

Dear Parents/Carers

### **P.E. ARRANGEMENTS – AUTUMN TERM 2022**

P.E. will commence from the week commencing **Monday 5<sup>th</sup> September 2022** for pupils in Year 1 to Year 6.

**Children will continue to wear their P.E. kit to school on the day that they have P.E. in school.** They will not need bring their school uniform with them.

Here is clarification of what full P.E. kit is:

- plain white T-shirt with or without the Vaughan logo
- maroon or black shorts
- white socks
- plimsolls or well-fitting trainers. Junior school children should wear well-fitting trainers, but the laces must be properly tied. Infant school children may wear well-fitting trainers, but must be able to manage either laces or Velcro fastenings on their own.

**When the weather is particularly cold your child should wear a tracksuit for Outdoor P.E.** Ideally this should be the school colours of maroon or black or dark blue, and the sweatshirt must **not** have a hood, zip or a logo. **Jumpers with the Vaughan logo on can also be worn for Outdoor P.E.** Children needing to wear tracksuit bottoms for religious purposes may do so. However, the trousers must not touch the floor as this is dangerous, and the colour for trousers must be maroon, black or dark blue. It is important that **long hair is tied back** and Harrow's policy is a 'no-jewellery' policy for P.E. This is adhered to at Vaughan Primary School and **on a P.E. day jewellery should be left at home.** Any jewellery worn for religious observance must be covered with tape to prevent injury.

Spare P.E. kit **will not** be available from the Welfare Room so it is essential for your child to have the appropriate kit at school on P.E. days. **Children are not allowed to telephone home for P.E. kit to be brought to school by parents.**

P.E. is a core subject in the curriculum and it is hoped you will support the school by ensuring your child wears their Outdoor P.E. kit to school on the appropriate day. We are working hard at Vaughan to ensure children are fit and healthy; taking part in P.E. lessons is an essential part of this effort.
