

Money Management Course

- Are you worried about the cost of living?
- Do you want to find out about banks, savings and borrowing money safely?
- Are you worried about scams and internet fraud?
- Would you like to start sorting out your finances?

We're running a **free** short course in a small friendly group at the school that will help you understand banking, savings, borrowing, insurance, staying safe online as well as internet fraud, and how to manage your money better.

Come and learn more about your money, meet other parents from the school, and help yourself and your family!

The courses will run for 5 Friday mornings across January and February, and you will get a qualification on completion*.

Dates:

Every Friday from 6th January to 3rd February

09.00 – 12.30

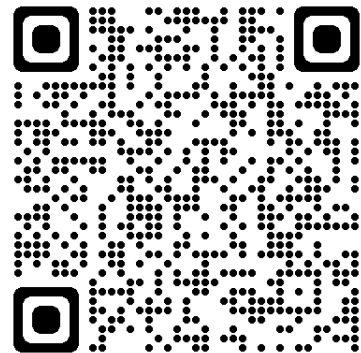

Enrolment and Enquiries

To **enrol** please go to:
