

BRAIN TRAINING After School Clubs

**8 Week
Programme**

LIMITED SPACES - BOOK EARLY TO SECURE YOUR CHILD'S PLACE!

Welcome to our exciting brain training after school club! Our goal is to help your child enhance their cognitive abilities, develop critical thinking skills, and improve their academic performance. Our program includes a variety of activities and games designed to challenge and stimulate your child's mind, such as logic puzzles, memory games, and strategic board games.

Our Best Ever After School Club Programme:

Our trained instructors will guide your child through each activity, providing support, feedback, and encouragement along the way. Sign up today and watch your child's confidence and academic success soar as they train their brains and have fun!
