SPANISH CLUB

Dear Parents / Carers,

¡Hola! I am a native Spanish speaker who is trained and experienced, CRB checked as a Spanish teacher. I specialize in teaching Spanish to young learners and have been giving private tuition for the past 7 years

Learning a new language is incredibly rewarding for your child, and Spanish consistently ranks among the top three languages for children to learn. Children need to have fun so my lessons are based around active communication skills in a relaxed learning environment.

What my classes provide:

- An insight to spanish culture
- A well-structured fun and engaging lessons taught through playful activities
- Explore the patterns and sounds of language through songs, rhymes, games, role plays.
- Small class sizes

The lessons will be a great way of introducing your kids to a new language and culture thus preparing them for holidays whilst also being a springboard into their future schooling.

After school Spanish Club for Year 1 & 2 children will take place on Wednesdays, starting on April 17th at 3.30pm for a total of 13 weeks until July 17th.

Each lesson will be **£9.00** per **30mins** paid termly in advance via bank transfer. To confirm a place, please **contact me directly via e-mail** or return the slip below to the school as soon as possible.

Places will be given on **a first-come, first-served basis**. No refunds are given once payment has been made.

SPANISH CLUB

Child Name: Class:
