

# SPANISH CLUB

Dear Parents / Carers,

**¡Hola!** I am a native Spanish speaker who is trained and experienced, CRB checked as a Spanish teacher. I specialize in teaching Spanish to young learners and have been giving private tuition to KS1, KS2, KS3, KS4 and adults for the past 9 years.

The lessons will be a great way of introducing your kids to a new language and culture thus preparing them for holidays whilst also being a springboard into their future schooling. Children need to have fun so my lessons are based around active communication skills in a relaxed learning environment.

What my classes provide:

- An insight to spanish culture
- A well-structured fun and engaging lessons taught through playful activities
