RE assemblies generally run for no more than half an hour and take place in the morning after school drop off at 9:05 am.

We hope that by giving parents this advance notice, they will be able to make arrangements to see their child's assembly. Please note that **Year 6** will have a Leaver's Assembly in the summer term. The date will be confirmed nearer the time.

Please note that **no children under school age or babies** will be able to attend, and a crèche facility is also NOT available. Please make arrangements for any child under school age to be taken care of if you want to attend your child's year group assembly.

Yours sincerely,

MISS H MISTRY

Deputy Headteacher
