

Friends of Vaughan Newsletter

Welcome back to a new school year, with some new faces on the committee and some new ways to raise money and support our school!

Friends of Vaughan Committee

Thank you to everyone who came to the AGM in October. As we can't organise any events at the moment, we wanted to introduce ourselves and would love you to join the Facebook group or get in touch if you want to know more about what we do.

Becca Braithwaite, Chair

I have a daughter in Year 2 and a son in Reception. I have been involved with FOV for the last year or so and have just taken on the role of Chair.

Lucy Matthews, Vice-Chair

I have a 10-year-old son in year 5 and currently work full time. This is my second year in the role of Vice-Chair.

Sonal Patel, Treasurer

I have two boys, one in year 2 and one in Reception. I currently work in Corporation Tax and in my spare time I travel, meet friends and clean muddy football boots!

Sam Webster, Communication Lead

I have one child in reception, one in year 3 and I'm currently on maternity leave with our newest addition!

Prajanma Singh, Secretary

My daughter is in Year 2 in the school. I've been super impressed by the work PTA has been doing and very excited to be a part of it.

What's New

THANK YOU!

Huge THANK YOU to all the parents who bought the Autumn Activity Pack and helped raise over £500! It is the first time we have created something like this, and we loved to see all your children's creations!

Look out for the winning poem which will be published in next month's newsletter.

Fundraising Goals

We are raising money this year to help the school with the refurbishment of the library as well as installing new play equipment for the field.

With all the challenges that the children have faced this year we are really excited to be able to help create new and exciting spaces for them to enjoy in school.

Three designs for the outdoor play equipment have been taken to the school council and we are excited to see what they have chosen. The school hope to have the new equipment in place for the Spring.
